2. Quoting price and yield basis

The Vendor is quoting £55,000,000 (Fifty-five million pounds), reflecting a net initial yield of 5.15% on the passing rent. Offers should be expressed both as a capital sum and as the corresponding net initial yield, and should state the purchaser's costs assumption applied (we have assumed 6.80%).

3. Transaction structure and VAT

The Property has been elected for VAT. The Vendor intends that the sale proceeds as a transfer of a going concern (TOGC), such that no VAT is chargeable on the price, subject to the purchaser being VAT registered and electing to tax with effect from the relevant date. Bidders should confirm their ability to transact on a TOGC basis.

4. Information required with each offer

To allow the Vendor to evaluate offers on a like for like basis, each offer must address all of the following:

1. **Price** expressed as a capital sum and the implied net initial yield.
2. **Bidding entity** including full legal name, registration number, and the ultimate beneficial owner or fund, to enable anti-money-laundering checks.
3. **Structure** confirmation of an asset purchase on a TOGC basis.
4. **Deposit** confirmation of a 10% deposit on exchange, held by the Vendor's solicitor as stakeholder.
5. **Funding** the source of funds (equity, debt, or a combination), the status of any debt, and written proof of funds or treasury confirmation.
6. **Conditionality** confirmation that the offer is unconditional and subject to contract only, or full particulars of any condition (for example investment committee or board approval, with the date by which it will be obtained).
7. **Due diligence** the outstanding due diligence the bidder requires and the time needed to complete it.
8. **Timetable** the bidder's proposed exchange and completion timetable, including the deliverable period from instruction of solicitors.
9. **Advisers** the identity of the bidder's solicitors and other professional advisers.
10. **Special conditions** any other matters material to the offer.

5. Submission

Offers must be submitted in writing by email to Adam Moore (arcmoore@gmail.com) to arrive no later than the deadline stated above, marked "Quantum 245, Tamworth, Round 1 offer". Offers received after the deadline may not be considered.

6. Process and the Vendor's position

The sale is by informal tender. The Vendor is not bound to accept the highest or any offer, and reserves the right to vary, suspend, extend or terminate the process, to negotiate with one or more parties, and to withdraw the Property at any time. The Vendor expects to shortlist selected parties for a second round (best and final offers) following this round. No commitment is given to any bidder and no abortive costs will be reimbursed.

7. Data room, inspection and reliance

A data room has been made available to parties who have executed the non-disclosure agreement, containing title, the lease and tenancy schedule, the verified rent roll, service charge information, EPC, surveys, planning and the vendor due diligence report. Access to inspect the Property is available by appointment through the agent. All information is provided for guidance only, must be verified by the bidder and its advisers, and is not warranted by the Vendor or the agent.

8. Anti-money laundering

Before any offer can be accepted, the successful bidder must satisfy the agent's and the Vendor's solicitor's anti-money-laundering and source-of-funds requirements, including identification of the contracting entity and its ultimate beneficial owners.

9. Costs, confidentiality and status

Each party bears its own costs. The existence and terms of the process and all information disclosed are confidential and subject to the executed non-disclosure agreement. This letter is issued subject to contract and is not an offer capable of acceptance, nor does it form part of any contract. Nothing in this letter constitutes a representation or warranty within the meaning of the Misrepresentation Act 1967.

Yours faithfully,

Adam Moore Director, sole selling agent for Helix Real Estate Partners LLP
